Oakeve

Oakeve Interiors is a multi award winning Interior Design and Interior Architecture Practice that prides itself on delivering an exclusive, but very personal service, always aiming to exceed expectations.

Located in Buckinghamshire, this award winning Interior Architectural design practice was founded in 2004 by Iona Newton and has built up a formidable reputation for creating sumptuous, inspirational schemes with a commitment to delivering exceptional design services.

Responding to individual client briefs, whether conceiving highly inspirational whole-house schemes or commissioning bespoke furniture, Oakeve Interiors works closely with both private clients and exclusive developers to create elegant and luxurious interiors, underpinned by Oakeve Interiors hallmark of 'quality and excellence'.

Having been acknowledged by the industry as operating at the forefront of luxury property design and development for over a decade, Iona and her team of experienced designers, offer a unique 'turnkey' service that is personal, convenient and accountable, managing every aspect of your project, from conceptual design through to completion.

Contact Oakeve Interiors to discuss your project on 01494 737 461 or visit the website to learn more about our services:
